## PRODUCT DATA

# Citra Grit

Highly effective citrus based hand cleaner with polymer beads and skin conditioning ingredients. It contains no hydrocarbon solvents.

## Description

Premium quality water based hand cleaner. Widely regarded as being the best available for removing dirt, grease and grime due to its innovative formula including organic ingredients from the USA and Europe. Contains polymer beads for deep cleansing of the skin and skin conditioning ingredients (including lanolin) to prevent drying and cracking of skin.

Our specialised formulation also includes unique imported advanced surfactant soaps and non petrochemical solvent. This product contains no petroleum solvents (which promote drying and harsh removal of the skins natural oils). Has a neutral pH and a citrus fragrance that leaves hands refreshed.

This product can be used in a variety of industries where heavy duty cleaning is required such as automotive, manufacturing, mining and printing.

## Directions for Use

- Apply small quantity to hands. Rub and massage the hands together thoroughly.
- Rinse hands off with cold or warm water.
- Dry skin with cloth or paper towels.
